TO WHOM IT MAY CONCERN

This is to confirm that Jonathan Edward MCDONNELL, born in Manly (Australia) on 25th January 1959, was employed as CAPTAIN on our 110 ft private yacht "Royal Flush" berthed in Monaco. He was in our employ from 21st July 1999 until 31st December 2001.

Mr. MCDonnell is without doubt an excellent captain. His naval / maritime knowledge is outstanding.

Under his captaincy our yacht improved enormously. Captain MCDonnell suggested, initiated and supervised various reconstructions which greatly improved our life aboard "Royal Flush".

A very special assignment was contractually given to Mr. MCDonnell. He had to educate our second, theoretically and practically, within three years to a mature captains level. Also for this job he achieved all our aims and objectives.

Apart from his professional skills we learned to know Mr. MCDonnell as a very sympathetic person who was always open to the views of his superiors as well as his crew.

I can recommend unreservedly Mr. MCDonnell to every good employer and our organisation wishes him in his professional as well as his private life a prosperous and successful future.
